ABOUT US

Duyen Tien Phuc Joint Stock Company was **established on October 16, 2023**, with the cooperation and founding of Director Nguyen Tien Nam and Chairwoman Le Thi Lam Hao. Duyen Tien Phuc originated from the word **"Duyen"** meaning Fate when the founders had the opportunity to exchange and cooperate in business. Together, they **"Tien"** begin to strive to shape business development with a desire to bring **"Phuc" "happiness"** to those who have and will always trust. Not only the people around us, but also the company aims to develop and bring more benefits to the community and Vietnam. A Vietnamese brand reaching international standards.

LET'S START.

BUSINESS INTRODUCTION

- 1. CONTEXT
- 2. INTENT
- 3. PIONEER
- 4. COMMITMENT

1. CONTEXT

With the contribution of foreign experts ensuring a smooth and professional production process, along with relentless efforts for the dream of a high-quality and reputable production system with reasonable, affordable prices. **Duyen Tien Phuc** factory has been operational and has contributed to the production and distribution of high-quality plastic products, safe for health and in line with the current consumption trends not only in Vietnam but also internationally.

2. INTENT

Duyen Tien Phuc commits to providing safe, recyclable, environmentally friendly plastic products that meet international standards with the goal of becoming a pioneering enterprise in this field.

3. PIONEER

Duyen Tien Phuc strives to bring the best products, spread happiness and customer value, aiming to become an international Vietnamese brand and create sustainable consumption trends.

4. COMMITMENT

Duyen Tien Phuc puts customer interests first, commit to bringing satisfaction through quality, safe and environmentally friendly products.

WHEREVER YOU ARE, WE ALWAYS
AND WILL ALWAYS BRING HAPPINESS TO YOU.

COMPANY CULTURE

- 1. BUSINESS PHILOSOPHY
- 2. CORE PRINCIPLE
- 3. VISION
- 4. ADMINISTRATION

1. BUSINESS PHILOSOPHY

“Bring you quality and secure. in trust we bond. together through the long roads”

“If you want to go fast, go alone. If you want to go far, go together”. With the development, we all desire a high-quality and safe lifestyle. We aim for quality and environmentally friendly products to gain the trust of customers and consumers. We desire to work together to develop and improve our quality of life.

2. CORE PRINCIPLE

“QUALITY” “TRUST USE” “SAFEKEEPING”

1. QUALITY

Always deliver high-quality products to customers regardless of quantity.

2. TRUST USE

With high-quality products, the company hope to gain the customers trust of use.

3. SAFEKEEPING

Ensuring safety not only in terms of health and psychologically for customers and users.

3. VISION

*“Nurturing development,
stimulating creative freedom”*

Only with stone, depending on how it is used and developed, fire can be created, tool can be made as well as transformation into material. We aim for freedom in creativity and product development. Our mission is to provide the products. It is up to you to decide how to use it.

4. ADMINISTRATION

*“To the place i belong,
my longed-for dream home”*

“Make yourself home” is a proverb for a gentle and peaceful feeling and a sense of freedom. However, a home still has its own rules. Even with a reasonable and strict management system, we always strive for support for employees and customers to have a genuine and natural atmosphere, a sense of trust and safety, along with creativity in work. While adhering to the core values of the company, employees can always unleash their potential for their personal development and creativity.

 Microwave safe
 (Open lid when using).

ROUND CONTAINER 450ML

Capacity: 115 x 65 x 87 mm.
 Temperature Resistance: -20°C > +120°C
 Microwave safe
 (Open lid when using).

ROUND CONTAINER 750ML

Capacity: 148 x 72 x 102 mm.
 Temperature Resistance: -20°C > +120°C
 Microwave safe
 (Open lid when using).

ROUND CONTAINER 1000ML

Capacity: 148 x 88 x 103 mm.
 Temperature Resistance: -20°C > +120°C
 Microwave safe
 (Open lid when using).

ROUND CONTAINER 1250ML

Capacity: 172 x 75 x 125 mm.
 Temperature Resistance: -20°C > +120°C
 Microwave safe
 (Open lid when using).

ROUND CONTAINER 1500ML

Capacity: 172 x 89 x 121 mm.
 Temperature Resistance: -20°C > +120°C
 Microwave safe
 (Open lid when using).

ROUND CONTAINER 550ML

Capacity:
 Temperature Resistance: -20°C > +120°C
 Microwave safe
 (Open lid when using).

ROUND CONTAINER 625ML

Capacity: 148 x 58 x 116 mm.
 Temperature Resistance: -20°C > +120°C
 Microwave safe
 (Open lid when using).

ROUND CONTAINER 1750ML

Capacity: 172 x 122 x 110 mm.
 Temperature Resistance: -20°C > +120°C
 Microwave safe
 (Open lid when using).

ROUND CONTAINER 2000ML

Capacity: 172 x 122 x 120 mm.
 Temperature Resistance: -20°C > +120°C
 Microwave safe
